A passionate web designer, currently working on a new personal portfolio, 20+ Javascript projects and a gallery of graphic illustrations to showcase on the aforementioned portfolio.

Willing to relocate: Anywhere
Authorized to work in the US for any employer

Work Experience

Diesel Mechanic

Knight Transportation - Gulfport, MS
March 2018 to June 2019

Under little to no supervision, performed preventative maintenance, light and medium repairs (including but not limited to: brakes/drums, slack adjusters, gaskets, fuel lines and fuel pumps, wheel seals, etc), diagnosed and repaired electrical and wiring faults, maintained descriptive logs of all complaints, causes and corrections, clearly communicated issues, repairs and parts needed to supervisors. Maintained a professional and friendly relationship with all drivers and worked diligently to meet all reasonable driver's requests.

Tire and Lube Technician

Goodyear Commercial Tire & Service Center - Gulfport, MS
Aug 2016 to March 2019

Performed preventative maintenance such as lube, oil changes, filter services and brake adjustments, draining and filling coolant systems, etc. Repair, replace, mount and balanced tires of various applications.

Center Coordinator

City of Gulfport - Gulfport, MS

January 2015 to August 2016

Independently performed professional duties in planning, developing, coordinating, implementing, and supervising recreation and athletic programs for local communities taking place at Herbert Wilson Recreation Center. Responsibly and dependably handled payments and receipts for city's sports programs. Supervised two seasons of basketball tournaments of various age ranges, local and state, as well as two years of children's summer camp programs. Maintained a professional and friendly relationship with all event and community members from diverse backgrounds such as senior citizens to handicapped and rural youths.

Bartender

The Reef - Biloxi, MS

February 2014 to January 2015

Consistently collect, wash, sanitize and restock all glass and bar wares for repeated bartender use. Efficiently and continuously re-stock bartender serving stations with liquor, ice, fruit, straws and napkins as necessary for bartender use. Perform general duties such as taking out trash, stocking restrooms, and complying with special requests set forth by management. Execute daily inventory of alcohol at all stations, liquor cage, walk-in cooler and liquor room for Bar Manager to place orders. Receive and stock weekly alcohol and supply deliveries into assigned and allocated areas of the bar.

Management/Delivery/Maintenance

T & S Ice - Perkinston, MS

May 2012 to February 2014

Loaded and unloaded delivery trucks. Verified each delivery against shipping instructions before delivering to customers. Contacted customers prior to delivery to confirm and coordinate delivery times. Recorded each delivery and transaction using the proper paperwork. Completed on-time deliveries by choosing the best and most efficient routes. Submitted receipts and money received from deliveries at the end of each shift. Established long-term customer relationships through prompt and courteous service. Hired, trained and supervised temporary and permanent employees. Maintained all equipment, work stations and grounds, including lawn mowing, weed eating and general landscaping duties.

Education

Web Development Vocational Program

Mississippi Gulf Coast Community College - Perkinston, MS
